Chills and Thrills, Right at Home!

The fun and fright of Halloween come to life in Spooky Town! Our highly detailed buildings, figurines and accessories allow you to create Halloween scenes that capture the spirit of the holiday, right in the comfort of your own home.

Perhaps your Halloween scene will be an adorable setting of costumed children, dressed-up pets and doting parents going door-to-door in search of treats. Or maybe you prefer an edgier village populated by ghoulish creatures and haunting spirits. Whichever you choose, you'll find everything you need here in Spooky Town!

Decorating for Halloween has become the second largest holiday tradition worldwide, surpassed only by the Christmas season. Don't be left out! Spooky Town is the perfect way for first time decorators or experienced village builders alike to celebrate the big night.

Have a "Spooktacular" Halloween season!
